

Margie is a floor walk over recessed luminaire for both interior and exterior applications. Designed with a single way frame and optics to produce a $77^\circ \times 6^\circ$ angle of illumination. Hosting a 10mm frosted polycarbonate glass achieves a soft beam of radical light emission. Constructed from Inox 316 with a heat sink assembly, O-rings and a first fix sleeve ensures a long lasting fixture and watertight seal. IP67 rating as standard makes Margie suitable for both indoor and outdoor residential, public-buildings applications, to create interesting effects.
