

Stef 70

Floor recessed spotlight

Data Sheet

Stef 70 is a floor walk-over recessed uplight luminaire, ideal for outdoor applications.

Constructed from a brass body and an inox 316 bezel, with a heat sink assembly and an 8mm clear toughened glass.

It is designed with a deep recessed led position and utilizes the latest LED technology with new high efficiency optics which guarantees excellent beam spread, shape and less glare.

The O-rings ensure a high watertight seal ideal for external applications.

IP67 rating as standard makes Stef 70 suitable for both residential and public-buildings applications, to create interesting effects to walls and columns.
