

ANESIS flush the ceiling

Ceiling recessed downlight

Data Sheet

Anesis flush the ceiling downlight supplied with a separate die cast aluminium-kit for seamless appearance in plaster ceilings.
Available in both white or black finish as standard.

This product can accommodate a wide choice of LED light sources including COB led and Retrofit MR16 & GU10 LED lamps.
The tilt mechanism allows the luminaire to be angled with precision up to 30°, allowing for optimum beam alignment.
As a result, the light is emitted exactly where you want it.
